NEF Study 2006

- Assist Nunavut NPOs to examine and find solutions for the challenges they face
- Help governments to realize the important role NPOs play with a view to finding ways to provide appropriate support
- Help NPOs and governments to work together to find solutions to challenges

Final Thought

“NPOs play a pivotal role. They’re a great contributor in the development of the Nunavut economy, because they can do things in a much more efficient and effective manner than the government can.”

Respondent,

Government of Nunavut, Economic Development and Transportation

Thank You
